Old Fire Update

The SoCal Dist. has a web page with updates on church property fire damage from the So. Calif. wildfires. Pine Crest is ok for now. I've heard no reports about the Royal Adventure Camp property having burned.

Friday, 10/31: Individuals posting on various mountain top web boards (rimoftheword.net, etc) have reported that the area around Pine Crest looks really good! There was a house in the nearby community destroyed this am, but that fire does not appear to be related to the wildfires. No new wildfire activity has been reported in the immediate vicinity of Pine Crest for a couple of days.

Congratulations to:

Christian Bower
Tony Gage &
Ralph Pina for completing
all of their certified training.
Now they are completely
qualified to teach all of
the new courses. You
might say they are more
than certifiable (ha!).

Why does Santa Claus go down
the chimney on Christmas eve?
Because it SOOTS him.

Where do Santa's reindeer like to
stop for lunch?
"Deery Queen for a Blizzard!"

Why did the elf push his bed in-
to the fireplace?
He wanted to sleep like a "log".

What reindeer has the cleanest
antlers?
COMET! (get it?)

Sherlock Holmes favorite Christ-
mas song
"I'll be HOLMES for Christmas.

What do you call a chicken at
the North Pole?
LOST!

And for the serious side: Every
year Christmas becomes less a
birthday and more a clearance sale.
