Jan. 2004

It's a new Year.
The new program is well underway, and there's a lot of new stuff coming up. Make sure you get all the information you can to be up on what's going on. The All Cmdrs. meeting on Jan. 10th at Spires on Hawthorne Blvd. and Torrance Blvd. will be very informative. You won't want to miss it.

All Commanders awards applications must be postmarked by January 2nd in order to be presented at Commanders Conference. Late applications, arriving after January 31st, will not be processed.

Those of you who have email will be receiving your news articles by computer to save on stamps. If I don't have your email and you want to receive material by computer, then send me your email address. Mine is:
