At our Rally on 3-12, we had a blast! There was nearly a 100 people there, and it was a riot. Everybody had alot of fun.

D.T.C. March 13th has come and gone, but one thing is for sure. Lionel Iles of O/P 61 never missed it. He went and passed with flying colors. Congratulations Lionel. You are on your way!

The Ranger Kids Jr. Pow-Wow, 3-20, was a really big success this year. It was a nice warm day in Whittier, and everyone had fun. All sections of the Division were represented there. There were several games played, crafts and other things going on. We had five outposts from the Harbor Section represented. Some people just love boys, I guess. The Spirit of God is moving in our Section. Praise God !!
