

Our Trophy Rally was a big success on Friday, the 22nd.

We had a large turn out, and so many activities we just had to quit. What fun! There were new boys present, and talk about more new boys in the future.

### DID U KNO

Judges were the civil magistrates. In patriarchal times Hebrew life was organized around the family and the clan. Heads of families (patriarchs) and elders of the tribes were the judges (Gen.38:24) and their authority was based on custom. This was only the beginning.

A little boy was invited to a Rally by another boy in Outpost 125. The boy got to the Rally early that was held at a church. The boy was excited just to be there. He blurted out, "I just love church!". A commander asked, "Oh, do you go to church?" The boy replied, "No, I just like to be here, and I want to work in the Rangers, and get patches. I don't have any money but I want to get a uniform and a vest".

He didn't get saved that night, but the following Wednesday eve. at the outpost the boy gave his heart to the Lord, and was so appreciative of the fact that his sins were forgiven and he was going to Heaven. This boy is a Discovery Ranger. God bless him, everyday for the rest of his life.

Commanders, that's what it's all about. Michael is "READY"
